

Outdoor Burn Area Cooking, Natural Gas, Open Flame or Heat Producing Device Notice

Complete and sign this Outdoor Burn Area form if you intend to conduct ANY of the following activities within your exhibit space. Cooking, open flame and gas appliances require Fire Marshal approval in advance.

- A 2A40 B.C. fire extinguisher (5 lb. ABC), with a current tag from a licensed fire extinguisher contractor, must be in the exhibit booth for any gas appliances, cooking or open flame.
- A fire extinguisher must be located no more than thirty feet (30') from any cooking, open flame or heat producing appliance.
- Provide a four-foot (4') space or an alternate protective measure to separate the attendees or general public from a cooking, open flame or heat producing appliance.
- Natural Gas may be ordered via OCCC Exhibitor Services. However, this form must be completed and submitted for Orange County Fire Marshal review. The contact telephone number for the Orange County Fire Marshal is (407) 685-9811.
- Please indicate which, if any, appliance(s) need(s) to be left operating overnight.

Introduction of a hazard deemed unsafe, or out of the ordinary, by the Orange County Fire Rescue Department (e.g. grease-laden vapors, flammable liquids or gases) may require a fire watch for an event and or exhibitor(s).

Please check all that apply:
