

ANCILLARY MEETING POLICY

WHAT IS AN ANCILLARY OR ICW EVENT?

An ancillary or “ICW” (in-conjunction-with) event from now on referred to as “event,” is any function held adjunct to the HPBExpo that are separate and distinct events outside the official HPBExpo program. All ancillary events must be approved by HPBA, including but not limited to:

- Board Meetings
- Focus groups
- Hospitality Room/Suite
- Education/Training Sessions
- Press conferences or briefings
- Social Events
- Customer/Dealer Acquisition or Appreciation Events
- Staff meetings
- Receptions or celebrations
- Annual meetings
- Award luncheons, dinners, banquets, receptions, etc.
- Product launches
- Parties or any other gathering conducted for networking, recognition, education, or any other social or commerce-related purpose

WHO MUST SUBMIT AN ANCILLARY EVENT REQUEST?

HPBA requires ALL organizations (commercial and non-profit) that wish to hold functions of any size or nature in any location during HPBExpo education sessions and exhibition events times to complete an [Ancillary Meeting Request form](#). Event space is available for use on a daily and per-meeting basis.

Organizations may not contract meeting space directly with Official HPBExpo Hotels or the Convention Center.

HPBA Affiliate Members

The HPBA welcomes affiliate member organizations to meet and host events during organizer-approved dates and times in conjunction with the HPBExpo that do not directly conflict with HPBExpo exhibition events.

Exhibitors/Non-Exhibitors

HPBExpo exhibitors can request ancillary meeting space, however, if an organization has products that are relevant to the attendee, then they are required to exhibit to obtain meeting space. Non-exhibiting companies may not use meeting rooms or other venues to promote products. HPBA reserves the right to deny meeting space requests to companies that violate these policies.

Companies Not Using Official HPBExpo Hotel or Convention Center

Companies not using an official HPBExpo hotel or Convention Center space must complete an Ancillary Meeting Request. HPBA requires ALL organizations (commercial and non-profit) that wish to hold functions of any size or nature in any location (including restaurants, other non-hotel venues, or a non-official HPBExpo Hotel) during exhibition events to complete an [Ancillary Meeting Request form](#). However, you do not have to pay applicable fees for holding an event if the event is approved and held at a non-HPBExpo hotel or restaurant. You may contact the venue directly after receiving approval from HPBA on the proposed event's date, time, and content.

The HPBA expo staff will review for approval all events involving expo attendees, whether held at an expo-contracted facility or in the same metropolitan area as the Expo. No organization or company can

ANCILLARY MEETING POLICY

RESERVING EVENT SPACE

Event organizers do not need to be HPBA members or registered for the meeting to submit an ancillary meeting request. However, anyone attending an ancillary event onsite must be registered to attend the HPBExpo.

Ancillary meeting requests will be reviewed weekly and approved on a first-come, first-served basis. Please allow 7-10 business days for confirmation and meeting room assignment receipt. Submitting an application does not guarantee assignment.

All organizations and individuals must complete the [Ancillary Meeting Request Form](#) for the event by **January 15, 2024**.

You MUST receive approval from the HPBA Expo Committee and notification from the HPBA staff before promoting and implementing the ICW Event. All space will be assigned on a first-come, first-served basis.

STEPS FOR SUBMITTING AND APPROVAL OF ANCILLARY MEETING REQUESTS

1. Read the HPBExpo Ancillary Meeting Policy and submit an [Ancillary Meeting Request form](#) online by January 15, 2024.
2. Upon receipt, HPBA staff will review the request to determine whether the proposed event meets HPBA standards and requirements. In some cases, approval is required by the HPBA Board of Directors.
3. Once approved, HPBA will contact the hotel(s) or convention center to secure a meeting room for the requested event.
4. After approval and once the meeting space has been secured, HPBA will notify the organization that the request has been approved and which meeting room(s) has been assigned. Every effort will be made to notify the organization within 2-3 weeks after the event has been approved. Please note that the response time can vary depending on a multitude of factors, including but not limited to event size, scheduling, board approval, and venue response time.
5. The submitting organization will then work directly with the assigned venue and approved vendors to plan the event and work within the outlined HPBExpo Ancillary Meeting Policy.

Those who participate in any ancillary event contrary to this policy will be subject to sanctions, as determined by the HPBA Expo Committee and HPBA Board of Directors, including loss of exhibitor priority points, refusal of permission to exhibit at future HPBExpo's, and refusal of permission to continue to exhibit at HPBExpo 2025. Violations may also lead to suspension of or expulsion from membership in HPBA or, in the case of a non-member, disqualification from eligibility for membership.

These rules and regulations apply for events requested and held in the general vicinity of the host city on the conference dates, and four days leading up to and one day following the HPBExpo.
